DTC201: Tools & Methods for Digital Technology
Reflection Sheet
Print Publishing

Print this to hand in with your printed journal booklet

Your Name: _____

Describe the design and layout decisions you made to ensure a comfortable reading experience for your journal.

Did you have any previous page layout experience before this project? If so, what was it?

Which InDesign tools were most valuable to you for this project? Explain how you used them.

Did you make any major improvements since last time to the heading you created in Illustrator? If so, what were they?

Did you create an ambitious cover design using Photoshop and/or Illustrator for extra credit points? If so, describe what you did and why you feel it is a successful cover. Use the back side of this sheet or a second page.
