

*Welcome to Ireland!
Home of Guinness
and Potatoes!*

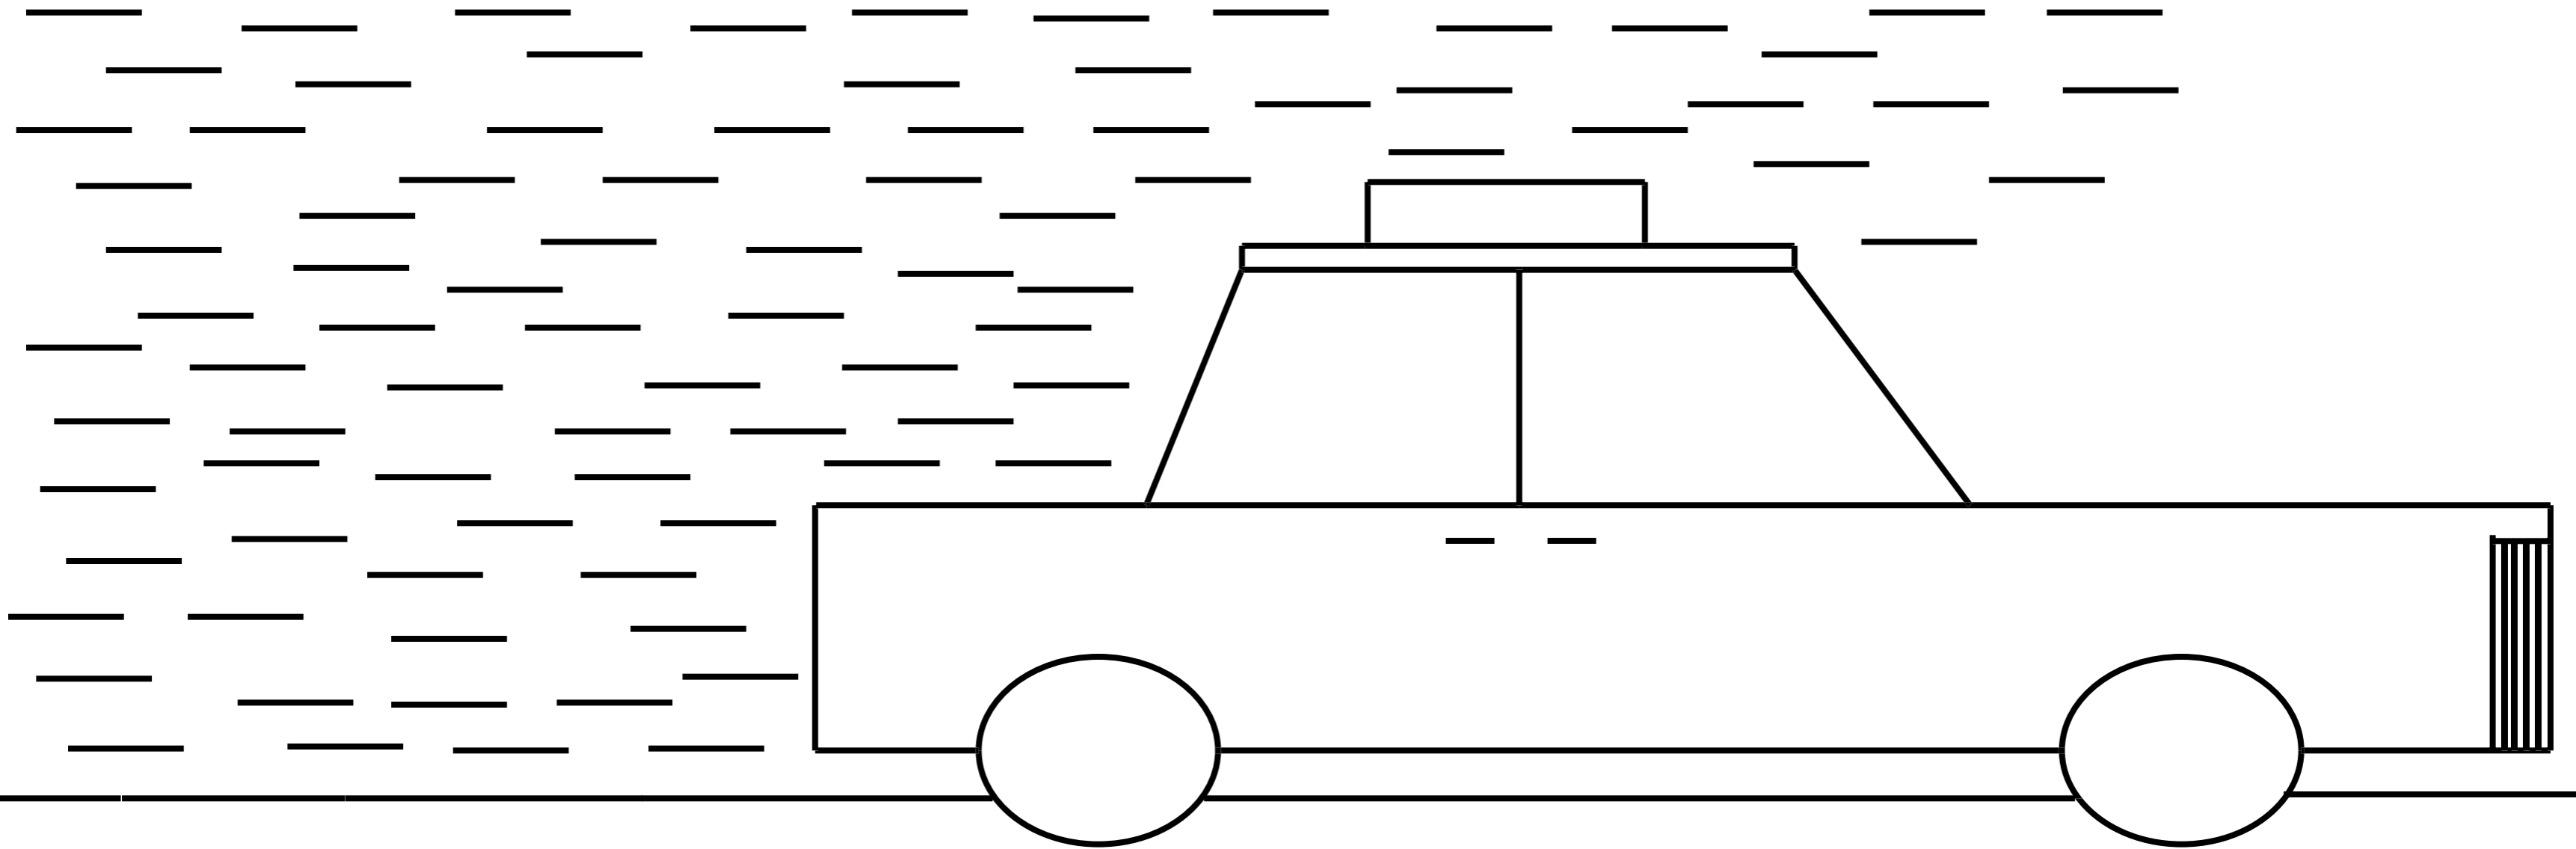

*Dude, I want some
Potatoes...*

*I want a beer dude...
Let's get in a Taxi and go
grab a beer in the
city!*

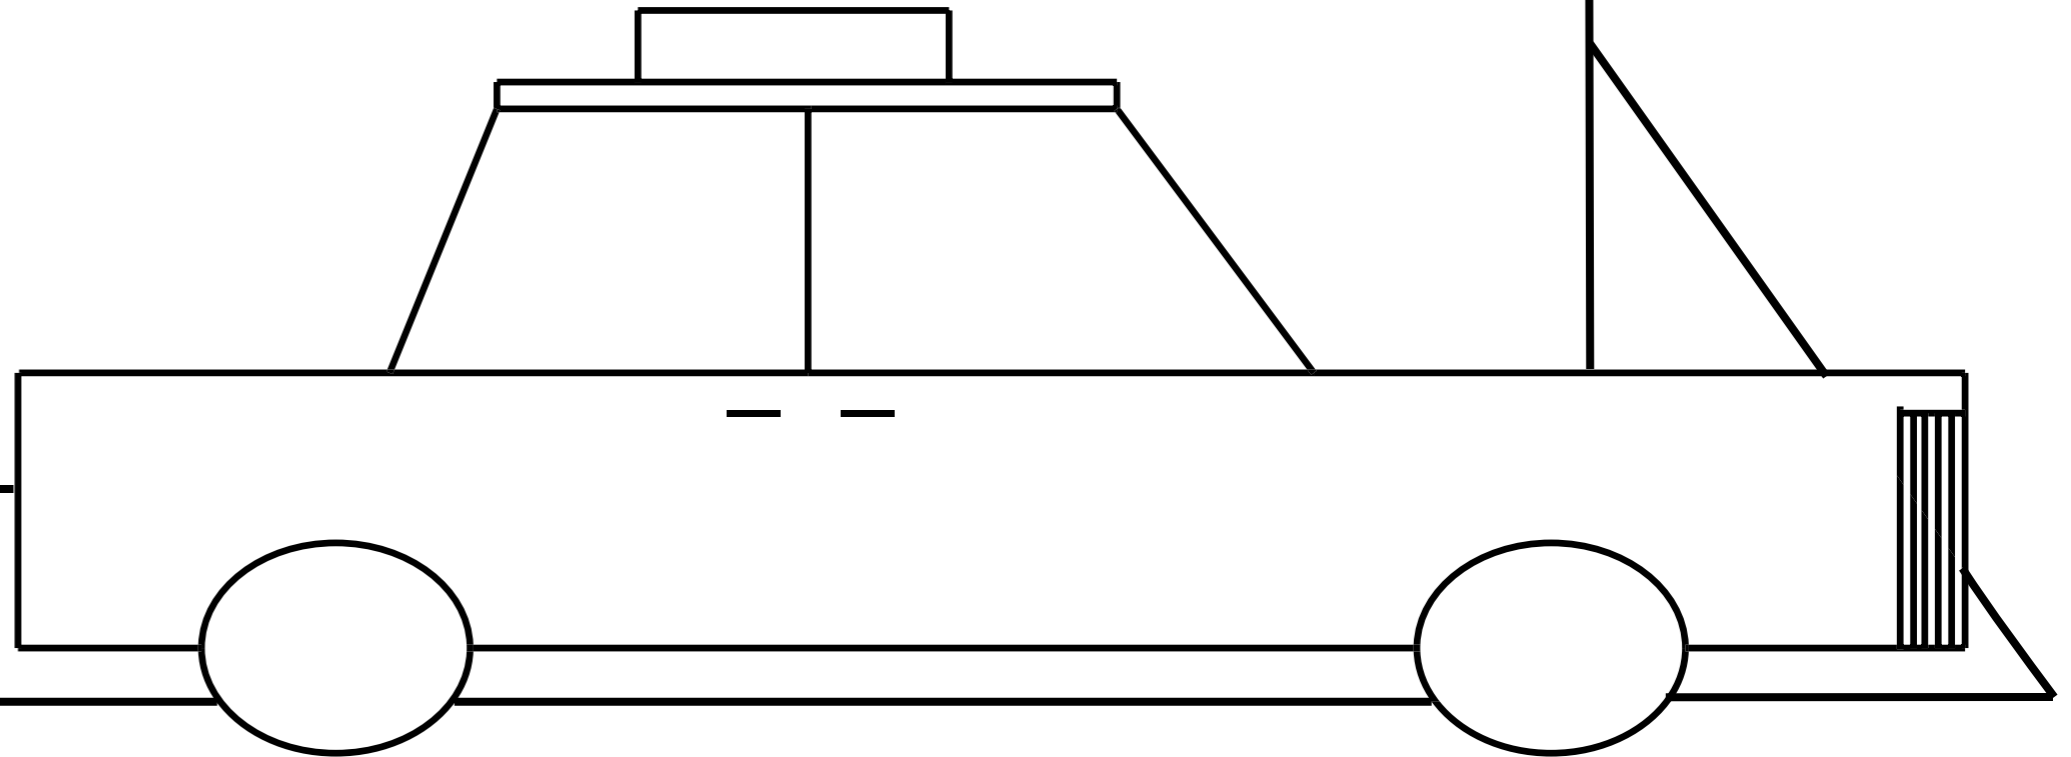

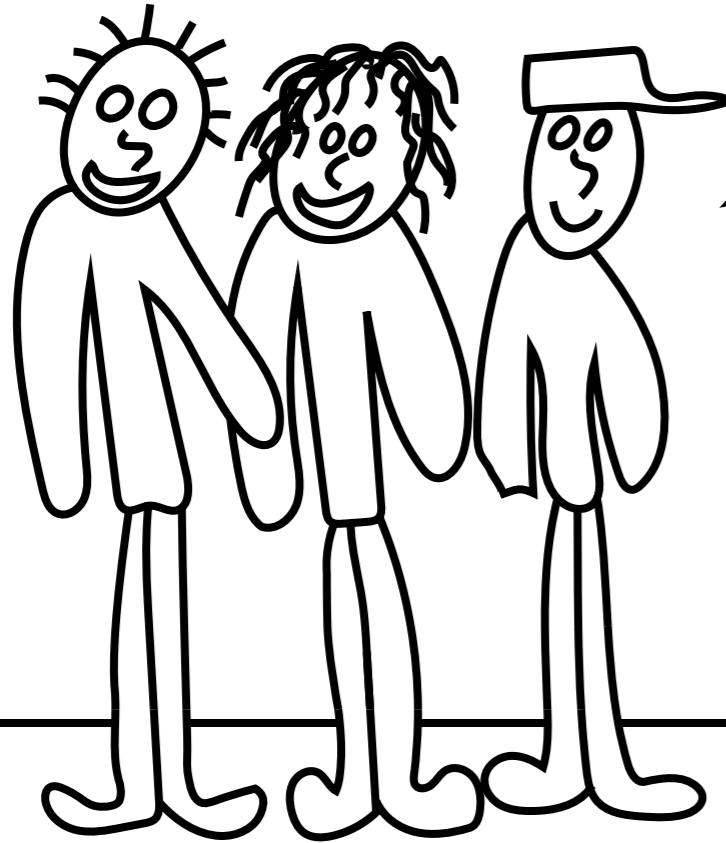

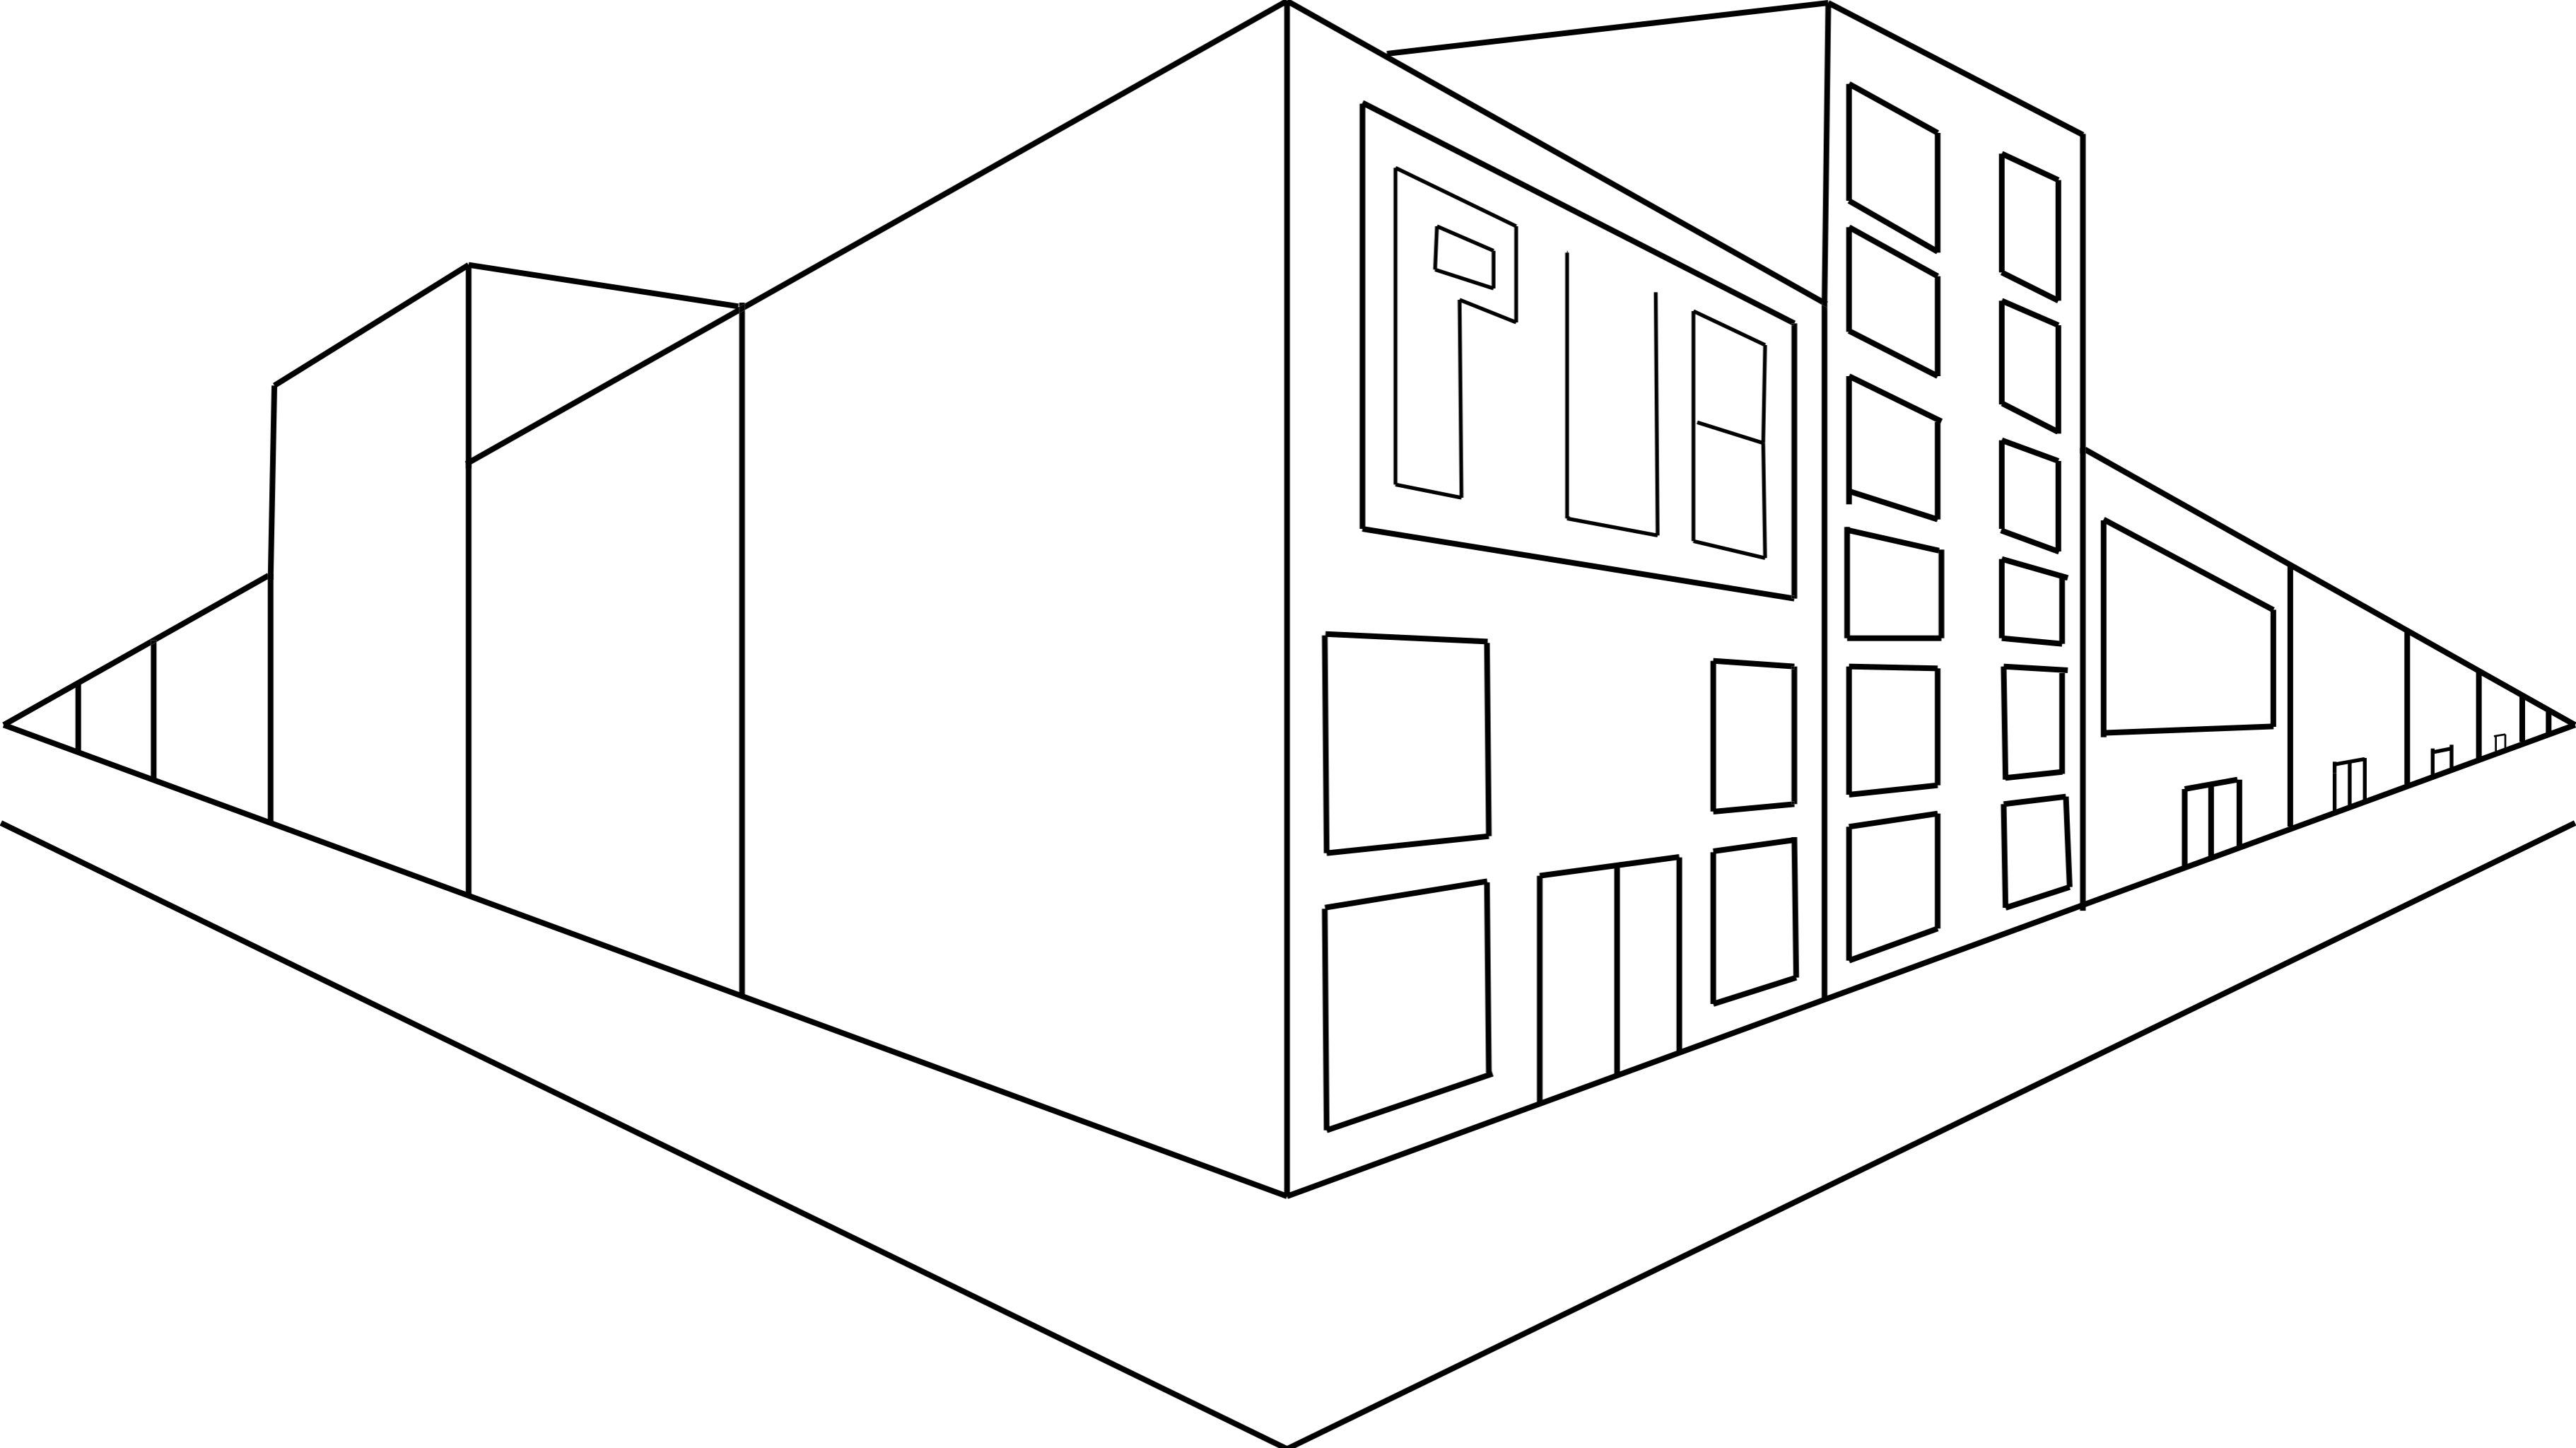

5 Minutes later

Bet...

*Thanks for the
Ride! I think there
is a pub around the
corner*

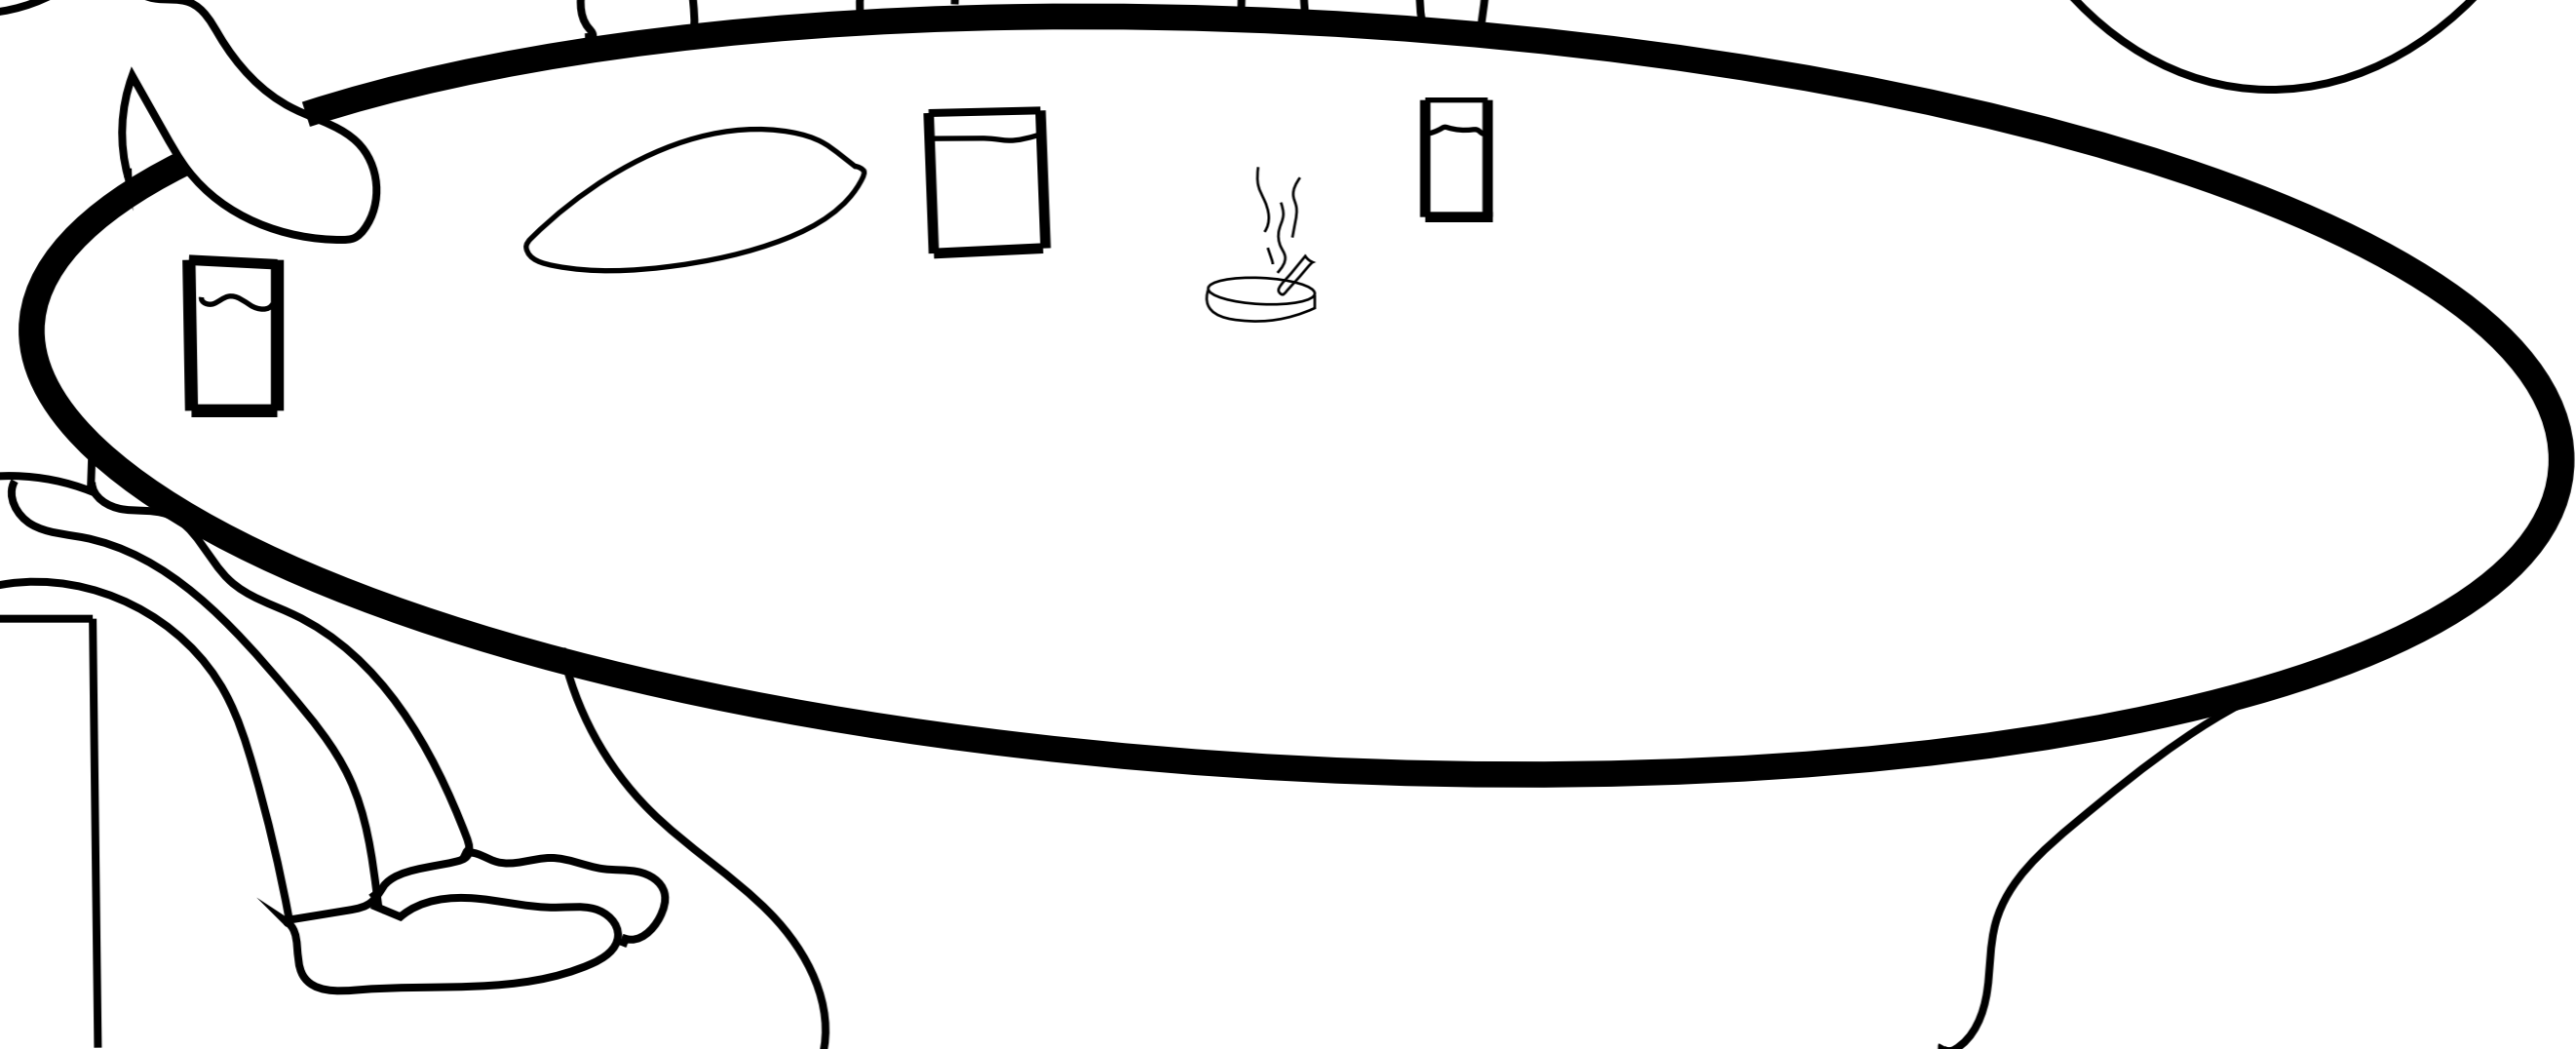

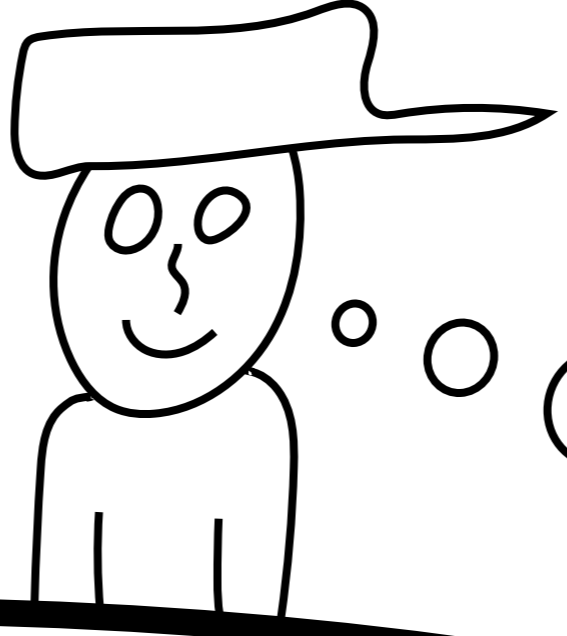

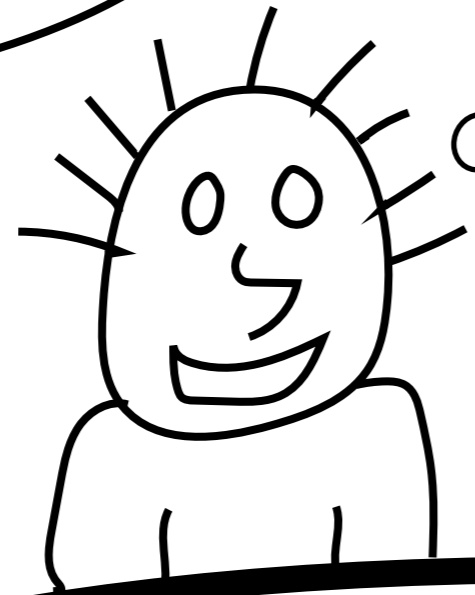

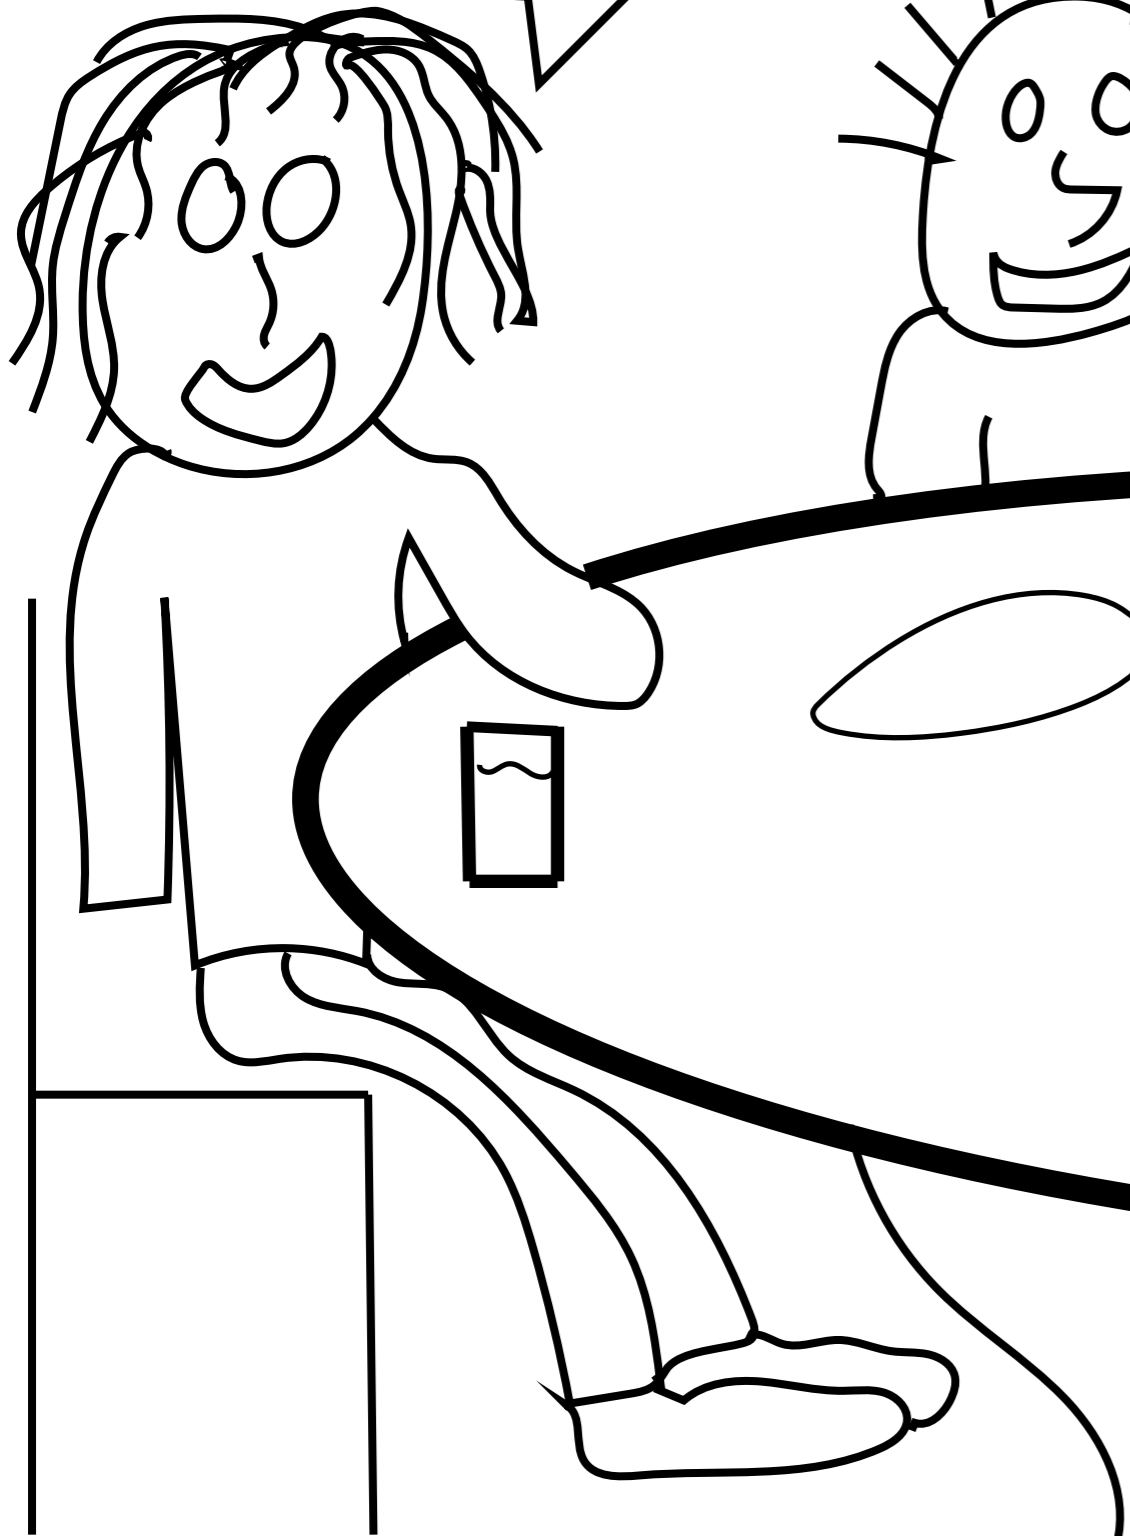

Two beers later...

Soo down

We should go skydiving

*Are you guys drunk?
we only have an hour left
in Ireland
...*

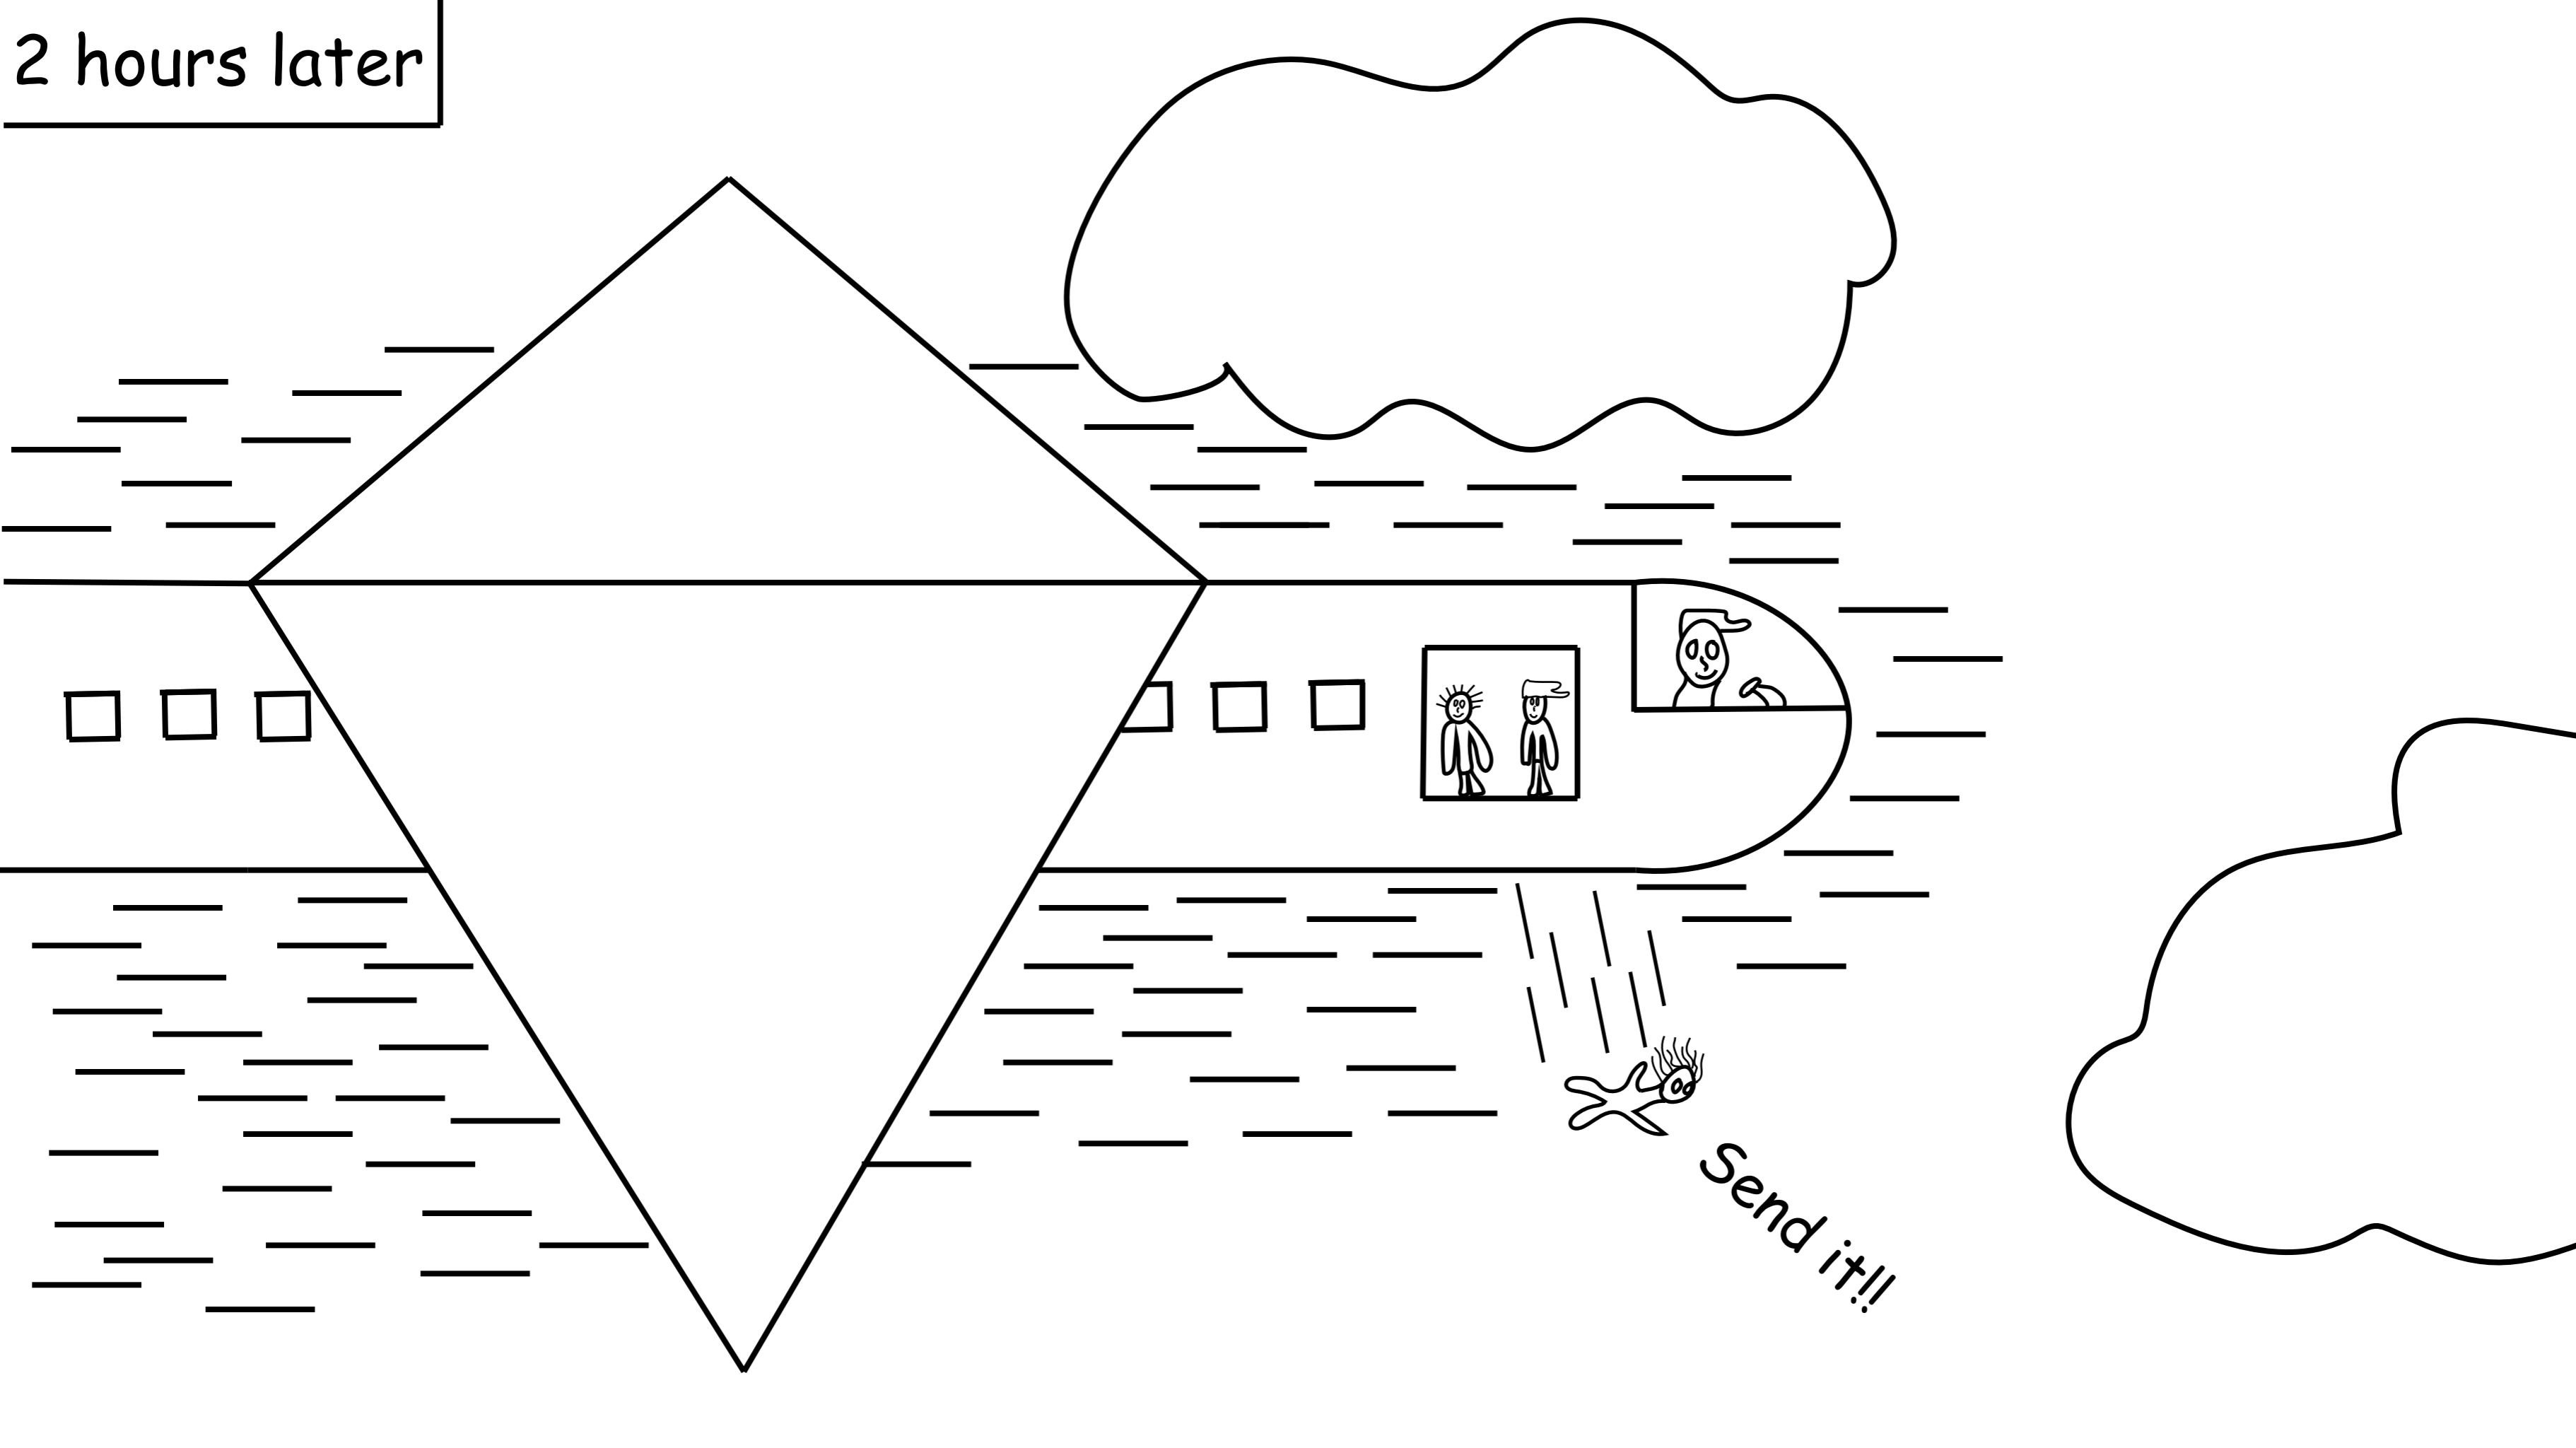

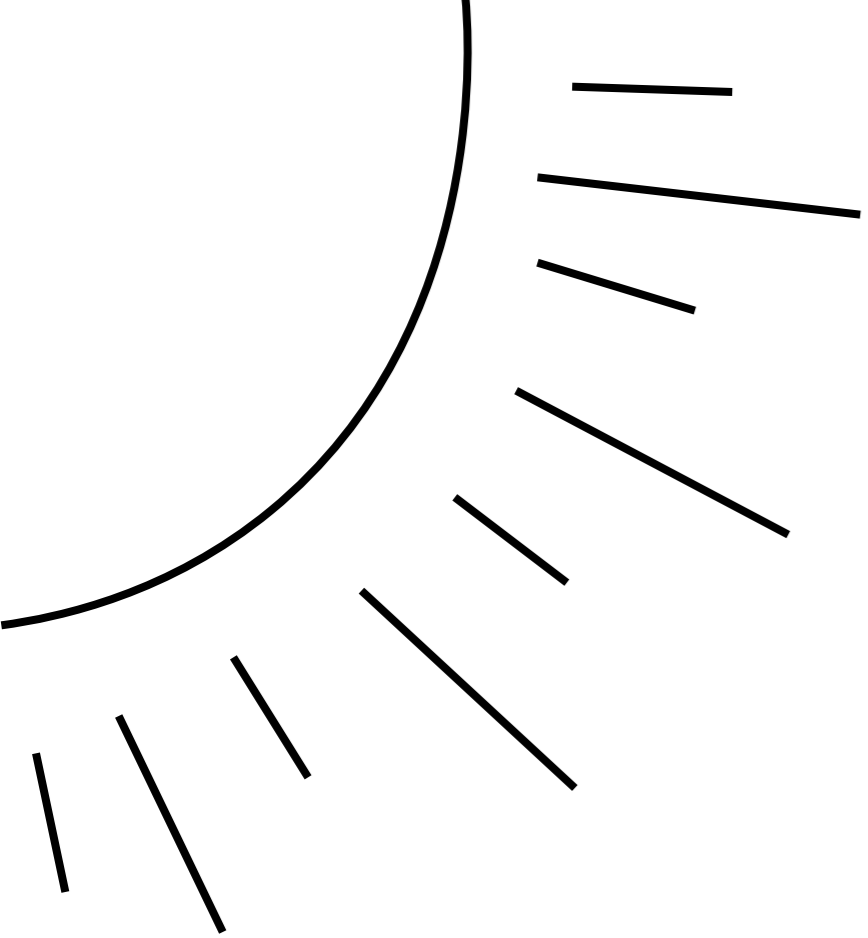

Four beers later...

*We should just send it
during our connection
flight... I got the
parachutes in my
carry-on*

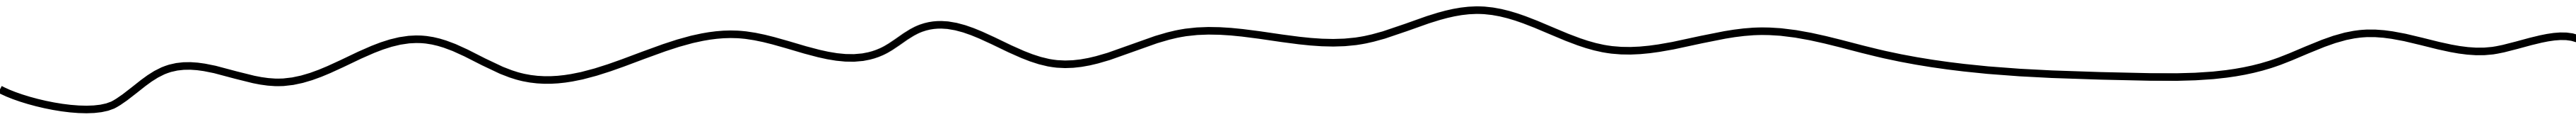

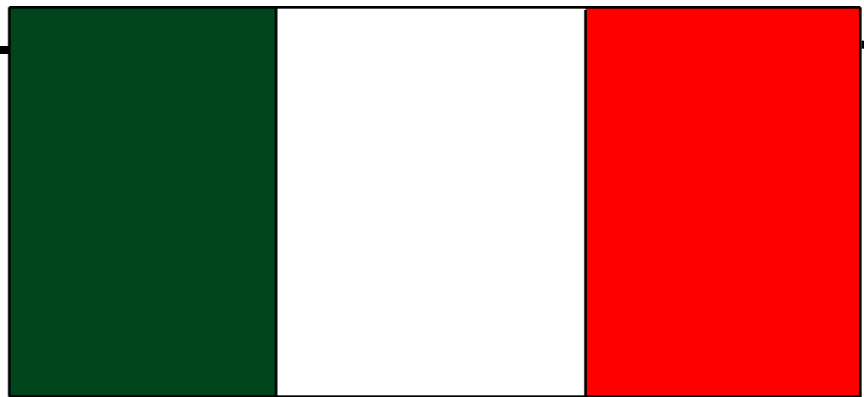

2 hours later

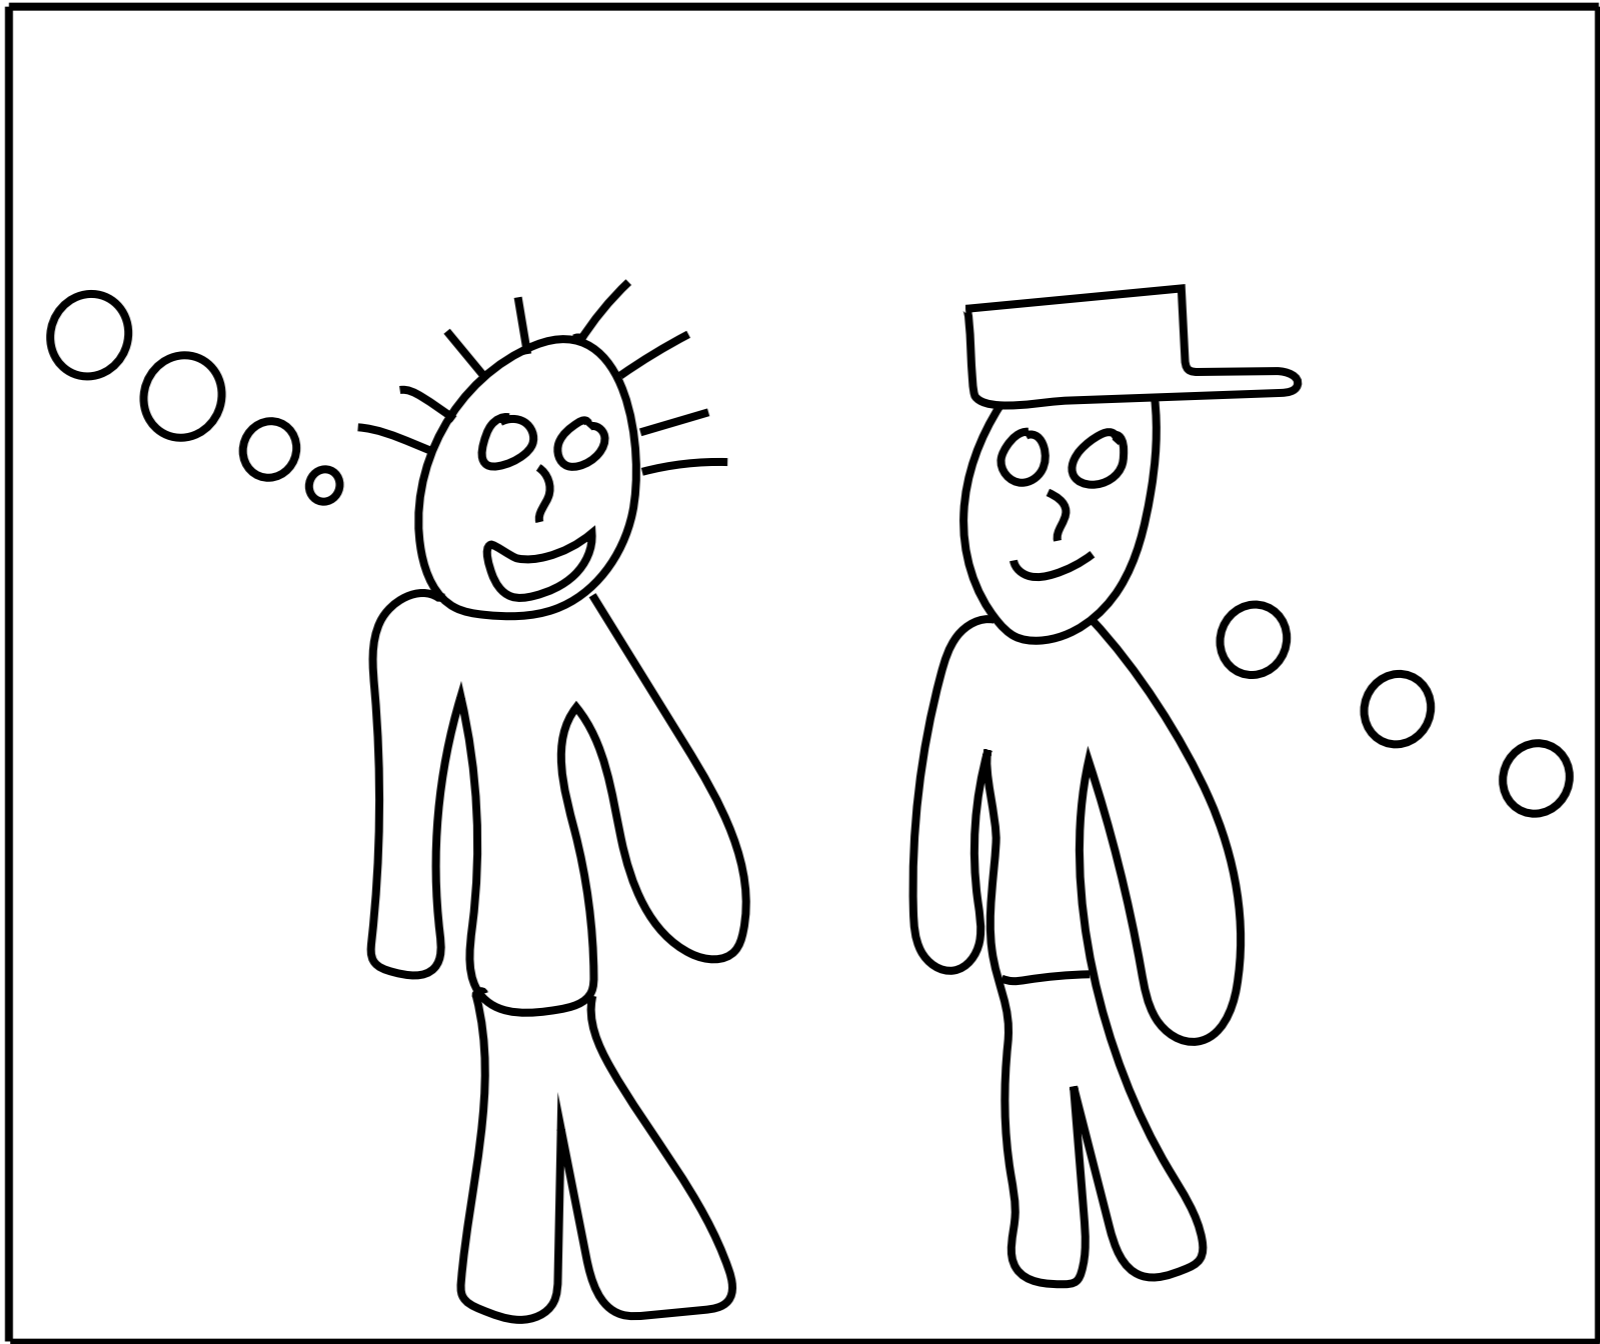

Why am I landing
in water and where
are my friends?

Good
Idea...

Not worth the send.
Italy sounds way better
than jumping out of
an Airplane
